Claims 24 and 25 are withdrawn from further consideration pursuant to 37 CFR 1.142(b), as being drawn to non-elected species, there being no allowable generic or linking claim. Applicant timely traversed the restriction (election) requirement in Paper No. 4.

The text of section 103(a) of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 21-23 and 26-30 are rejected under 35 U.S.C. 103(a) as being unpatentable over Molenaar et al. and European '824 in view of British '637 and PCT '377.

The rejection is maintained for the reasons of record set forth in the previous Office action. The arguments filed December 11, 2002 have been considered but are unpersuasive.

The British patent (page 24, line 34, BIS E) shows a bisphenol A diglycidyl ether with an epoxy equivalent of from 550-700 which corresponds to YD-012 (600-700) with respect to its epoxy equivalent weight according to page 2 of the technical list for bisphenol A epoxy resins. Such an epoxy equivalent range indicates a solid bisphenol A epoxy resin within that claimed.

The PCT publication (page 22, lines 2-5, bisphenol A epoxy resins A-5, A-6 and A-8) exemplifies bisphenol A epoxy resins with the tradenames Araldit® GT 7203, 6071 and 6084, respectively, which are solid according to page 5, lines 3-5 as corroborated by page 52, lines 19-21 of the specification.

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
